**In the Specification (clean form of replacement and/or added
paragraph(s) – CFR 1.121(b)(ii)):**

Delete the paragraph at lines 16-19 of page 4 and replace such
deleted paragraph with the following replacement paragraph:

-- Preferably, post 3 has a substantially "U" shaped section (Fig. 3)
and is provided with means for anchoring to a bicycle frame or a similar
member. In this particular case, said anchoring means consist of two holes 6
formed in corresponding recesses 7 for screw heads.--
